2015 Wine and Cheese

Thanks to all from the Fellowship Committee for the hard work and cooperation of many to make the Wine and Cheese Tasting/Dance on January 17th successful. Thanks to Marvin Nester for purchasing the wine, Kathy and her kitchen crew for purchasing the cheeses and preparing the various food items and keeping the serving lines stocked. The Decorating Committee had the Lodge looking great. Also, thanks to the wine servers at the six stations. The office did a good job handling the ticket sales. The First Class Band did a great job with their music selections. Plan now on

attending our next Wine & Cheese Event to be scheduled for January 2016.

Kids Movie Night at the Moose

Kids Corner 2nd Kids Movie Night.

In January we had a nice turn out for our first Kids Movie Night. The kids were able to cut loose and enjoy themselves in the Kids Room and watched "Frozen". Even a few parents attended to keep their kids company. Sure! and were heard singing "Let it go, let it go ...". A good time was had by all. This month, Kids Movie Night will be Feb. 20, at 7:30pm. The movie this month will be "Teenage Mutant Ninja Turtles".

Please bring your children, grandchildren and/or invite your friends and their children. Parents can join friends in the Social Quarters for a little

From Joe DiSanto and the Poseidon Swimming/Hopewell Moose Family Center Youth Swimming Sports Committee.

We are a new committee of the Lodge and very excited to be here. This is only our first news letter and we're happy to already announce the committee's first new member! Please welcome Brother Jim Fanz. Jim is President of the Poseidon Swimming Board of Directors and recently enrolled at Hopewell #1472 as a new member. He is a solid addition to our ranks and we're looking forward to working with him. There is much good to be done here and to start, the first goal for the committee is to establish a working partnership between the Team and Lodge while building the strength of the Lodge and committee with new members. There are some very fine families on the Poseidon Team family and we should all be excited with the future prospects their involvement brings.

Please stay tuned for more excitement!

**SENIOR REGENT'S MESSAGE**

February already and tax time is almost upon us. I am hoping all things have settled down after the holidays for everyone. February is also the time of the year we stop and remember that special someone in our lives on Valentine's Day. May we also take time to let our friends know how much they mean to all of us all year long and cherish the time we have together. Why not invite that friend out to the Lodge for dinner one night and invite a non-member guest to become a member of our fraternity.

I had the privilege in January to visit an individual. It is always a pleasure! I would like to encourage each of you to take the time to sit with someone who could use a friend and enjoy the opportunity to make someone else smile. I was thinking I would brighten her day and she, in fact, brought the sunshine to me !! I love you Mother (93 years old)!!

Congratulations to our Academy of Friendship Recipients, Lynetta Parrish, Dawn Ozmore, Cindy King and Julia Andrews. I would like to send a special thank you to all our membership for contributing gifts of love to the children of two adopted families and to forty nursing home individuals. The

recipients were so gracious for all your love and kindness showed during the holiday season. Let us continue the fellowship of family and friends throughout the year. On Wednesday, February 25, 2015 at 7:30 p.m. the membership is invited to a Green Cap Ceremony honoring Sandy Baker, Senior Graduate Regent. Everyone, family and friends are invited to attend the Green Cap Ceremony and refreshments will be served afterwards. Please remember to find us on Facebook for up coming events!!

Hopewell Moose Lodge's Boy Scouts of America, Troop 183

The scouts of Troop 183 started the year off in a very patriotic way by attending a special scouting activity at Patriots Point in Charleston, SC. On Jan. 2-4, 2015, the young men had the opportunity to camp on the USS Yorktown (CV-10) Essex-class aircraft carrier, explore the USS Laffey (DD-724) Allen M. Sumner-class destroyer and go below on the USS Clamagore (SS-343), Guppy III submarine.

They also had the honor of visiting;

The Congressional Medal of Honor Museum which features interactive exhibits that explain the origin of the Medal of Honor and its stories of the exceptionally brave Americans who displayed remarkable courage while making the ultimate sacrifice.

The Cold War Submarine Memorial, the enduring tribute to the dedicated men & women who served in our naval submarines during the Cold War from 1947-1989.

The Vietnam Experience Exhibit featuring components that simulate life during wartime in a "Brown Water Navy" support base and a U.S. Marine Corps artillery fire base during the Tet Offensive and the Battle of Khe Sanh in 1968.

This was a tremendous opportunity and experience the scouts were afforded to learn of our courageous military heritage.

The Moose was organized in the late 1800's to provide support to its' members in the form of a Fraternal Organization. Members joined the Moose to first provide help to its' members, then to others in need. This is a chance to show what we are as a Moose Lodge.

Trivia Night

What position did the last five Heisman trophy winners 1251993 play? What was Jackie Kennedy's maiden name? What President created NASA? If you knew the answers to these and other questions, you and your team could be on their way to winning a few dollars (\$50 first place and \$25 second) at Trivia night. Meeting twice a month on Thursdays at 7:00 Dawn Ozmore leads her team to try to stump participants. Most months we meet on the 2nd and 4th Thursday but check the calendar to make sure as holidays can impact that. Sometimes Dawn likes to play and hands the lead over to Julie Andrews or

Darrell Johnson. There's no cost to play and there's lounge food available as well as drinks. Where else can you play a mental game while enjoying your favorite beverage? Even if you don't win you're guaranteed a great time. If you're alone we'll find a team for you to join and otherwise there's no limit on the number of participants.

Thursday, February 12, and Thursday, February 26 at 7pm, in the social quarters. Come early, grab your table and order up some delicious food and refreshing drinks! Cash prizes, gift give-aways and moosebucks are waiting for you!

No team? No problem! We have plenty of people you can share a table with! Just come out and have FUN. There is no cost to play, and all materials are provided.

A new automatic source of funds! On behalf of Mooseheart Child City & School, Moose Charities has joined **tix4cause.com!** **tix4cause** is an e-market place that gives each one of us, as well as all our supporters, friends and relatives an opportunity to make a difference for Mooseheart Child City & School each time we go out!

Here's how it works:

- Any time anyone has tickets for sports, entertainment, theater and music events they can't use, they can go to **tix4cause.com** and donate them online to Mooseheart and receive an automatic tax deduction letter for their donation. Each time a donated ticket sells, Moose Charities receives 90% of the proceeds! These could be great seats at a nice price and can be quite lucrative for us.

- In addition to donated tickets, through its partnership with a national ticket exchange, **tix4cause** also offers millions of tickets each day for the sports, music and theater tickets people are looking for every day. What's special about these tickets is that they can be for seats no longer available for sold-out events. Would you like to see Fleetwood Mac or Garth Brooks up close and personal (see attached)? Picture yourself at rink side for a Blackhawks game or court side for a Bulls game! Final Four, Super Bowl, and playoff games are even available. Now anytime anyone wants a ticket to these great events **anywhere in the country**, they can buy them through **tix4cause** (1250203) and choose Mooseheart to receive

over 40% of the service fees. It's just that easy!

Everybody can do something! This is fun, not work...

- **Donate Tickets...** or connect us with donations to support our mission.
- **Purchase Tickets...** every time you want to go to sports, theater or concert events anywhere in the country go to **tix4cause.com** first and support Mooseheart at the same time!
- **Spread the Word ... tell everyone you know** about Moose Charities' membership with **tix4cause** and ask them to tell their friends! Don't forget to mention us on Facebook and Twitter. Please feel free to simply forward out this E-mail with a covering explanation if you'd like. One more thing – please see the 2nd attachment. It's a 5% discount on all Mooseheart tickets until November 30th. Just use the code "**t4cHello**" when checking out.
